MEMBER UPDATE SPECIAL EDITION

THE SCOOP - SPECIAL EDITION!

Hello SFC! We bring you this edition of **THE SCOOP** to share some important communications, updates, resources & need to knows as we enter the transition time between the Winter & Spring/Summer seasons!

SPRING & SUMMER REGISTRATION

Registration for the 2026 Spring & Summer seasons is **NOW OPEN!**

Even with snow on the ground outside, we're already ramping up for another great Spring & Summer ahead of us. All program information (key details, registration steps, schedules, & all need-to-knows) for the spring/summer 2026 seasons is now live & accessible on our website at suburbanfc.ca.

- Our new website (still under suburbanfc.ca) has several resources & support tools to help our members navigate and find the best program for their player(s).
- Under our '**PROGRAMS**' menu, members will now be able to filter between pathways, age-divisions, seasons & more. In addition, player-pathway graphics & age matrices are accessible to help guide.
- We also have an updated **FAQ** (frequently asked questions) page, under '**RESOURCES**' which can help with any questions or clarifications needed!

For any questions or support with registration, please visit suburbanfc.ca/contact & one of our team members will be able to support you!

UNIFORM ORDERS - IMPORTANT!

As we approach the Summer season, we remind all members that now is the time to order your kits & uniforms (if needed)!

Between seasons, we often see surges in uniform/jersey orders - this often has impacts on delivery / turn-around times, as well as potential stock delays!

We highly recommend that members don't delay and if you are able and need a new uniform or item from the store, to order ASAP!

Our website page **HERE** has all of the need-to-know uniform information - from program requirements, order pages, number requests & more!

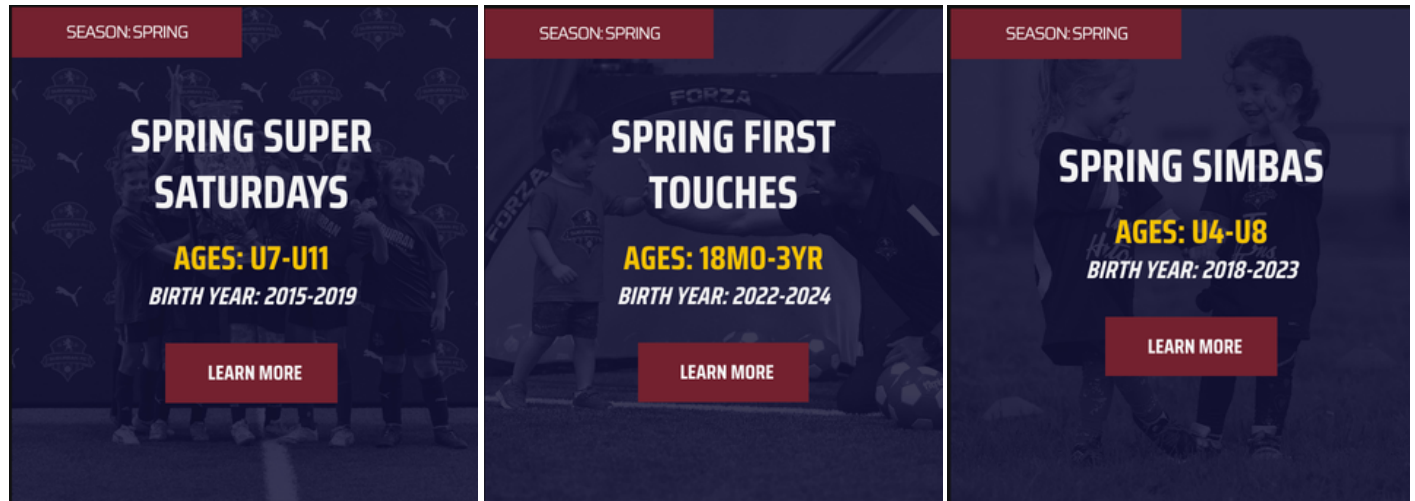

2026 SPRING PROGRAMS

4-Week **SPRING** programs are offered for our First Touches (U3), Simbas (U4-8) & Skill Centre (U7-11) programs.

The 'Spring' season kicks-off April 4th - **spaces are limited so don't miss out!**

CLICK on the program below to learn more information & to register!

Suburban FC is a non-profit soccer club and we strive to balance low program fees (as low as possible) with superior coaching and training opportunities.

We do not want finances to be a barrier of participation for any player.

If our prices present a barrier for your player's participation, please submit this form [HERE](#) for consideration!

MONTHLY 50-50 RAFFLEBOX

SFC x Rafflebox Monthly 50-50 returns April 1st!

Each family/player will receive an email from Rafflebox with a personalized link (please check your spam folder if you don't see it). This link allows you to participate in the raffle and share it with family and friends directly.

Here's how it works...

- 35% of every ticket purchase under your player's name goes directly to them as a credit toward future registration fees.
- For example, if someone buys 100 tickets for a total of \$50 under "SMITH," \$17.50 will be credited to SMITH's account.
- These credits will be tracked by our office and applied to your RAMP account.
